AZ CORP COMMISSION  
DOCUMENT CONTROL

I feel your request for APS increase of 9.8% is a total rip-off!! This will also raise the tax, service, etc. amounts that they tack onto our bill every month. This 9.8% will come out to about 11,7% total increase. The President says our cost of living only goes up 1.5% a year!! This is reflected in my BIG increase in my disability rate of 2.4%!!!

I suggest APS stops GIVING our power away to Mexice free, and increase the cost of the power they sell to California, etc. and leave us Arizonians alone. WE have the biggest nucular power plant in the world. Let's take care of us, not them!!!! This is a rip-off!!
